

Priority: VOB Press Release

We, at Voice of the Bride Ministries, are excited to announce a **matching gift challenge** opportunity! One of our VOB donors, has graciously offered, a matching gift award of up to \$10,000. This means, for every gift given, it will be matched by our donor. If you give \$50, the donor will match that amount, making the total gift, \$100. If you give \$500, the match will result in a total of \$1000! We have until **May 2nd** to raise the matching funds.

Voice of the Bride Ministries exists to serve the poor and needy, specifically in Mexico. Daily, we are either picking up donated food supplies for distribution in Tijuana, or distributing food and other items to those in need in the poorer parts of Tijuana. This includes orphanages, rehabs, elderly homes, women's shelters, infirmaries, and various street outreaches, where many people hear the Gospel, as well as receive food for their families.

VOB is also committed to furthering the Kingdom of GOD through worship and intercession, believing that prayer and worship 'grease the wheels' of mission work. In the last year, VOB has sponsored and led worship in several targeted worship and intercession events on behalf of the Mideast, as well as the U.S., and Japan, during the tsunami crisis. We have led worship at various outreaches in Tijuana, and are also holding regular worship events in San Diego, designed to encourage people to spend extended time before the Lord in worship and prayer.

Voice of the Bride is a 501(c)(3), non-profit organization, with every gift being tax deductible. We appreciate any gift given during this matching fund challenge and thank you so much for your participation in Voice of the Bride! Please feel free to share this information with friends or interested parties. Your gift can make a big difference in furthering the Kingdom of GOD!

Your consideration is greatly appreciated,
