VOB News: Burn for the Nations

On May 31, through June 1, we had 28 hours of nonstop worshipping the Lord, and interceding for the nations of the world! We gathered 16 worship teams and/or worship leaders, as well as prayer leaders, artists & dancers, to stand in the gap for regions, nations, or topics near to their hearts. Each worship leader was asked to choose a place, or topic to focus on. Among the choices made, were: Israel; San Diego; Northern nations of Europe; Syria; youth in Israel & Russia; the United States and issues of human trafficking, as well as governmental & societal issues in our country; Himalayan regions of the world; Islander nations; Cambodia; African continent; China; Thailand; and women in the Middle East. The outpouring of the presence of the Lord in this endeavor, was truly amazing. The accomplishments for His Kingdom, may never be known until we get to heaven. But

wow, what a privilege and honor, to serve the Lord in this way! We were able to livestream the event to many nations around the world, having people as far away as Singapore & the Philippines, to join us. This was a massive undertaking, and a total joy to accomplish. [Check out the archived video.](#)

At Voice of the Bride, we truly believe that as we worship the Lord, He will come & inhabit our praises. It is at this point, that we can partner with Him as to what is on His heart for the world, and join in with prayer & intercession to further His Kingdom on earth. We have been working towards furthering a worship & prayer 'place', here in San Diego, that would serve not just our city, but places & concerns throughout the U.S., as well as the entire world. We would love to be able to support missionaries, ministries, people groups, and situations, through worship &

intercession, as well as continuing the work of serving the poor in Mexico. This has been a continuous burning within our heart at VOB.

In light of that quest, and as a follow up to last month's newsletter, we are currently, about \$1000 short, on our monthly budget. We'd like to ask you to consider partnering with us, both financially, as well as prayerfully, so that we can continue in the calling of 'compassion & worship' for our own, as well as other nations of the world. Would you pray about supporting VOB monthly, if you are not already doing so?

Thank you, dear partners!! YOU have such a large part in what we are doing! Thank you for your continued prayers!! May the LORD BLESS you, as you invest in His Kingdom!

Love Wayne & Carol
